**Size Restrictions:** Length: 18" - 192" Width: 16" - 70" Length may vary slightly due to louver/slat placement.

## Examples of Installation

## Component Sections

## Paint Finish

Two-part automotive quality acrylic urethane finish with hardener.

|                    |                 |                        |                   |
|--------------------|-----------------|------------------------|-------------------|
| Black              | Driftwood       | Pine                   | Roycraft Pewter   |
| Board & Batten Red | Evergreen       | Plum Creek             | Sand              |
| Bordeaux           | Federal Brown   | Polished Mahogany      | Straford Blue     |
| Canyon             | Forest Green    | Redwood                | Tempest Blue      |
| Cascade            | Garnet          | Rookwood Dark Green    | Tricone Black     |
| Charleston Green   | Hamilton Blue   | Rookwood Medium Brown  | Walnut            |
| Chelsea Gray       | Hammered Silver | Rookwood Shutter Green | Weathered Shingle |
| Classical White    | Harbor          | Roycraft Bottle Green  | White             |
| Craftsman Brown    | Midnight Sky    | Roycraft Copper Red    | Wicker            |
| Deep Sea Blue      | Pewter          | Roycraft Mist Gray     | Wineberry         |

## Hardware

### Top Hinge Component Parts

**NOTE:** Female hinge clearance is not factored in to overall shutter height.

### Tilt Arm Component Parts

Aluminum tilt arms with nylon end caps

Stainless steel clevis pin

Nylon hinges/eye-end sets

## Notes

Shutter widths from 31" — 70" require 1 vertical mullion. Bahama shutter widths greater than 70" will require more than a single mullion, please call for details.
